

For Really Good Food and Entertainment, Bullwinkle's is the restaurant that truly offers "something for everyone."

Experiencing the entertainment at Bullwinkle's is a fun-filled adventure. In the showroom, the Bullwinkle Show starring Bullwinkle, Rocky and their well-known cartoon friends, alternates regularly with the Fantasy Fountains™ Water Show with its 275 jets of leaping water keeping time with music and lights.

At Bullwinkle's, you'll find we put as much into creating really good food as we do the fun around you.

You'll enjoy special treats like our Bullwinkle's Famoose™ Pizza (a unique deep-dish, double-crusted, stuffed pizza), Dudley Do-Rights' Done-Right traditional thin crust pizzas, Klondike™ Fried Chicken served with fries, biscuits, honey and butter, Rocky's Remarkable (Gourmet) Burgers, Underdog's Heroic

Hot and Cold Sandwiches, and Sweet Polly's Self-Service Salad Sideboard. And to top if off, there are eight different desserts with character . . . like Rocky's Road, Snidely's Whiplash, Frostbite Falls and Bullwinkle Mousse (of course).

Besides our taste-tempting menu items, you'll also get to choose your dining atmosphere. Select Bullwinkle's Showroom or Dudley's Den for "quiet dining."

There's also Underdog's Mighty Metropolis, a separate special entertainment room with electronic games and children's rides.

And why not pick up a souvenir of your visit from Rocky's Trading Post or take home an instant photo from Mr. Peabody's Improbable Picture Place.

We invite you to enjoy the Bullwinkle's Experience soon!
